

# Sunflower Life Cycle

## Sunflower Life Cycle

### Grades K-2

Students will learn about the growth and development of sunflowers, identify how sunflower seeds are used, and make a paper plate sunflower illustrating the life cycle of the sunflower. Here is an overview of the lesson.

**MN Ag in the Classroom Lesson Link – [Sunflower Life Cycle](#)**

*Time: 45 minutes*

#### ***Activity 1: Sunflower House Book and Sunflower Lifecycle***

Read the book, [Sunflower House](#), \*\* (link to purchase book) and discuss the lifecycle of a sunflower (includes great laminated pictures).

#### ***Activity 2: Make a Paper Plate Sunflower***

Check out on-line lesson plan for more detailed information on constructing the paper plate sunflower.

Here are some actual pictures of the sunflowers students created.
