

30 Days of MN Agriculture

2015

During the month of November, I am challenging myself to write a blog a day using a specific theme. I have chose "30 Days of MN Agriculture" where I will write a post about a farmer/ag business/ag organization. It's a great theme where we can celebrate and acknowledge Minnesota's diverse agriculture. Enjoy!

November 30 - [Melissa Burrow, Riverside Cattle](#)

November 29 - [The Guentzel Family Farms](#)
